

Plan for Phase 1 and 2 Practice Protocols

Schedule

- Practices are projected to start June 29
- Parents will be able to pick 2 out of four days a week: Monday, Tuesday, Thursday, Friday (Appointment required)
- Practices will be in three blocks of 45 minutes each: at 4pm, 5pm, and 6pm

Registration

- Signs will be placed with clear instructions for how to register, rules for entering, warning, protocols, etc.
- Parents will be asked to social distance in line to register their player
- Players will have temperature taken, sanitize hands and water bottle, be allowed entrance through the walkway only to their designated training area

Field Distribution

- Field will be divided into 6 equal sections with a 6-foot walkway in the center and a 6-foot clearance from the side and front fences
- Each training square will have: all training materials needed, a designated space for their water bottle, and hand sanitizer and spray sanitizer for disinfecting materials and player's hands at the end of each session
- Coaches, players, and materials will remain in their designated training spaces during each session, and proper disinfecting will take place if players or coaches must leave
- In case of severe weather, all players will be sent to their parents or guardian to find shelter. If a player is without a parent or guardian, their coach will take them to shelter following social distancing from other players.

Leaving Practice

- Players will sanitize hands
- Players will be called on radios to leave one at a time
- Players will walk via the middle walkway to exit the field
- All other players and coaches will stand clear (at least 6 feet) from the walkway during dismissal of players

All materials will be disinfected by the coaches between sessions
